I, Nori Samir Gunbar AL-YASSERI, want to make the following Statement under oath:
 One day in Ramadan, I don't know the exact date; we were involved in a fight in Compound 2, so they transferred us to the hardsite. As soon as we arrived, they put sandbags over our heads and they kept beating us and called us bad names. After they removed the sandbags they stripped us naked as a newborn baby. Then they ordered us to hold our penises and stroke it and this was only during the night. They started to take photographs as if it was a porn movie. And they treated us like animals not humans. They kept doing this for a long time. No one showed us mercy. Nothing but cursing and beating. Then they started to write words on our buttocks, which we didn't know what it means. After that they left us for the next two days naked with no clothes, with no mattresses, as if we were dogs. And every single night this military guy comes over and beat us and handcuffed us until the end of his shift at 0400. This was for three days and he didn't serve us dinner except for bread and tea. If we had chicken, he would throw it away. The first night when they stripped us naked they made us get on our hands and knees and they started to pile us one on top of the other. They started to take pictures from the front and from the back. And if anyone want to know the details of this, take the negative from the night guard and you will find everything I said was true. The next day the day shift gave us clothes and when the night shift started, the same guard who tortured us the night before came and took the clothes and left us naked and handcuffed to the bed. At the end of his shift he uncuffed us and then he punch us in the stomach and hit us on the head and face. Then he goes home. I kept thinking what is he going to do to us the next night, this white man with the white glasses. When I see him I'm scared to death. Again, watch the pictures in his belongings. He and the two short female soldiers and the black soldier during this dark night. When we were naked he ordered us to stroke, acting like we're masturbating and when we start to do that he would bring another inmate and sit him down on his knees in front of the penis and take photos which looked like this inmate was putting the penis in his mouth. Before that, I felt that someone was playing with my penis with a pen. After this they make Hashim (NFI) stand in front of me and they forced me to slap him on the face, but I refused cause he is my friend. After this they asked Hashim to hit me, so he punched my stomach. I asked him to do that, so they don't beat him like they had beaten me when I refused to hit Hashim. Nori Samir, Hussein, Mustafa Mahadi Saleh, Hashim, Hadiar, Hathem, Ahmed Sabri; those are the names of the people who were there at this night which we felt like 1000 nights.
